

Deposit Anywhere Disclosures and Agreements

Our general policy is to make funds from Your deposits available to You on the same business day.

Availability of Funds

Our general policy is to make funds from Your deposits available to You on the same business day We receive Your deposit. Electronic direct deposits will be available on the same day of deposit. Once they are available, You can withdraw the funds and We will use the funds to pay checks that You have written. For determining the availability of Your deposits, every day is a business day, except Saturdays, Sundays and holidays. If You make a deposit on a business day that We are open, We will consider that day to be the day of Your deposit. However, if You make a deposit after closing or on a day that We are not open, We will consider the deposit made on the next business day We are open. Please note that, if a remote deposit requires further review or clarification, the funds may not be made available to you on the same business day we receive your deposit. Longer Delays May Apply. In some cases, We will not make all of the funds that You deposit by check available to You on the same business day We receive Your deposit. Depending on the type of check that You deposit, funds may not be available until the 2nd business day after the day of Your deposit. However, for checking accounts the first \$200 of Your deposits, may be available on the 1st business day after the day of Your deposit. If We are not going to make all of the funds from Your deposit available on the same business day We receive Your deposit, We will notify You at the time You make Your deposit. We will also tell You when the funds will be available. If Your deposit is not made directly to one of Our employees, or if We decide to take this action after You have left the premises, We will email and/or text message You the notice of the hold by the business day after We receive Your deposit. If You will need the funds from a deposit right away, You should ask Us when the funds will be available. In addition, funds You deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check You deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You deposit a check that has been returned unpaid.
- You have overdrawn Your Account repeatedly in the last six months.
- There is an emergency, such as failure of communications or computer equipment.

We will notify You by email and/or text message if We delay Your ability to withdraw funds for any of these reasons, and We will tell You when the funds will be available. They will generally be available no later than the 7th business day after the day of Your deposit. In any case, We reserve the right to refuse an item for deposit or encashment.
