## Meet Tabatha Quesenberry, Vice President Roanoke Market

**September 9, 2020 (Roanoke, VA)**— Tabatha Quesenberry has been with Freedom First for 11 years. She started out working in Lending Operations as a Title Clerk and it was her responsibility to process all title work and book indirect loans. After working in Lending for 2 years, she was promoted to Personal Banker. She worked at the [Salem branch](#) for 8 years and spent the last 2 years as the Vice President of the [Tanglewood](#) branch.

Recently, Tabatha was promoted to Vice President Roanoke Market, overseeing the Tanglewood, Salem and Downtown branches. In this role, Tabatha’s primary focus is on employee development, where she spends more time with the employees to help them have an even stronger impact on our member experience. **“What I enjoy most about my new role is being able to help others succeed in their own career goals. Watching individuals succeed past what they thought was possible for themselves is very rewarding.”**

Tabatha is working with Marlin Reeves, Vice President NRV and Roanoke Markets, and Matt Graybill, Vice President Roanoke Market, to make sure each branch is working efficiently and remain consistent with one another. This helps to provide members consistency in their interactions with different employees at the branch levels.

When Tabatha is not helping members or coaching her employees, you can find her at home with her husband and three children. They have one son and two daughters and enjoy hiking, camping and anything outdoors related.
